

2y Motiva Program™

Extended Warranty Program

All of our implants are covered by the **Always Confident Warranty®** against rupture, for the lifetime of the device, and by our Product Replacement Policy in the event of capsular contracture Baker grades III and IV for a period of 10 years.

For all Motiva Implants™, with our **2Y Motiva Program™**, in addition to the replacement product you may also receive up to €1,000 of financial assistance for each affected Implant, applicable to the cost of the revision surgery in the case of a warranty claim for rupture or capsular contracture grades III and IV.* Patients must register their Motiva Implants through our website or thorough the Motiva App.

To be part of the **2Y Motiva Program™**, and enjoy the coverage described, during the first 90 days after the initial breast surgery, patients may choose to extend their warranty coverage for a total of 2 years at a cost of €100.

Enrollment is easy. Take advantage today of this advanced breast implant program!

**Establishment Labs is covered by a Product Liability Insurance issued by the American insurance company CNA, rated A.M. Best: A (Excellent); Standard & Poor's: A (Strong).*
